

Imagine in the Park Festival in partnership with the Rotary Club of Hamilton AM are asking Hamilton area artists/authors to be a part of the ninth annual Children's arts and literature festival taking place on Saturday June 1, 2019 at Gage Park from 10:30 a.m. to 5:30 p.m.

The festival is currently seeking artist/author workshop proposals suitable for children of ages 6 –12. Proposals are being accepted in all forms of art: music, visual arts, dance, drama, literature etc.

A proposal must feature a prominent interactive workshop component that actively involves the children in the creation/presentation of art. Workshops should include components of what the career of professional artists entails in their chosen field.

Artists/authors must tailor their proposal to take place either in a tent (20 X 20) or in the open. Please note that visual artists are required to submit a cost for materials. Please indicate the number of students that you can accommodate in your workshop.

If accepted into the festival, artists will be given a total of \$500.00, this is including \$200.00 for material costs. Artist/Authors will be assigned a small complement of secondary school student volunteers and/or adults to assist the workshop or activity.

I am the new Artist Coordinator for Imagine In the Park and can help with any questions you may have about the festival!

Please complete the proposal form and submit with a resume to:

artistcoordinator.iitp@gmail.com

(Resume only required for new applicants)

Deadline for all applications is Friday March 1, 2019.
